

VMTH Safety News and Announcements

Fall 2021

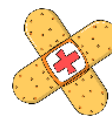

VMTH IIPP & VMTH EAP – 2021 UPDATE

Updated [VMTH IIPP](#) and [VMTH EAP](#) are available on the Safety Documents section of the [VMTH Safety Site](#): please remember to download both plans and share them with your staff members.

Updates in the documents cover administrative changes in the VMTH, changes to injury/illness reporting, copies of the updated [SafetyNet13](#) and [SafetyNet127](#), changes in Active Shooter Resources, updated Covid-19 Interim Guidelines, broken links, and some other minor details.

QUICK LINKS:

- Covid-19 Campus Updates: [Campus Ready](#)
- How to [Submit an EFR](#)
- [SafetyNet121](#): Guidelines for Serious Injuries Reporting
- Workers' Compensation Questions?

11/30/2021

EVACUATION DRILL WEEK

The 2021 Evacuation Drill was a success for all the hospital buildings! Many thanks to each one of you for your active participation and help before, during and after the drill.

MEET THE NEW SAFETY STUDENT ASSISTANT

Nolan Finke
nrfinke@ucdavis.edu

Nolan joined the SVM Safety Team in August, helping with Fire Extinguishers and EWSS Monthly Checks.

FEEDBACK IS GOOD!
